

Congratulations to the S.A.A. for 20 great years of golf!

It is an honor for “The Rip” to be associated with such a wonderful organization that does amazing work for the community.

We also extend our sincere appreciation to Greg Chorvas and the entire S.A.A. Board, and to the many volunteers who have helped with this event throughout the years.

We look forward to the next 20 years together! Enjoy!

The “Rip’s” Crew
